

FEATURES

- Die-cast aluminum construction, durable and corrosion-resistant
- IP66 weather protection for outdoor installations
- Wall and ceiling mount installation options
- 2 cable glands included (1/2" thread) for flexible cable routing
- G3/4" main thread for camera mounting compatibility
- 3 kg maximum load capacity
- Wide operating temperature range: -40 °C to +60 °C
- Compact design: 143 × 143 × 60 mm, weight 0.85 kg

TECHNICAL SPECIFICATIONS

Structure	
Material	Aluminum
Color	White
Dimensions	143 × 143 × 60 mm (5.6" × 5.6" × 2.4")
Net Weight	0.85 kg (1.9 lb)
Max. Load	3 kg (6.6 lb)
Thread	G3/4"
Cable Glands Included	2
Cable Gland Thread	2 × 1/2"
Installation	Wall mounted, ceiling mounted

Environment	
Protection	IP66
Operating Temperature	-40 °C to +60 °C (-40 °F to +140 °F)
Operating Humidity	≤ 90% RH
